## Full color foil business cards

Price per Unit (piece): \$150.00

**Full color full color foil business cards. One or two sides on 14 pt card stock. Full color and full color foil all over or where you need it. Cards can be UV coated for the high gloss finish and extra protection or a sleek NON UV matte finish. Minimum 1000.**

**Full color foil flyer printing** : This is the premium top shelf of full color print. This job will give that extra class that no other printing material can do. If you have premium clients or just want to stand out this is the best thing. You can get your regular full color print and add full color foil all over or only where you need it to add that extra style, this is truly a unique item. The most unique business cards in the industry. These cards are not like your ordinary foil stamping, no need to create expensive dies or stamping. The foil is directly into the ink and printed where you need it.

**Turnaround time:** 7 days. Jobs print every Wednesday.

**Sizes:**

3.5"x2"

- **Options:**

- **Single or double sided.**

- **Uv or Non uv coating.**

- **Full color foil all over or where you need it along with your regular full color print**

Full color foil requires a special file setup that must be configured when designing from your photoshop file. Contact us for details. If we design the files or have to edit your files it will be an additional \$25 setup fee if not already applied in our design fee.
